

**Virginia PUBLIC SCHOOLS
DISTRICT iPad PROTECTION PLAN**

The Virginia School District recognizes that with the implementation of the iPad initiative there is a need to protect the investment by both the District and the Student/Parent. The following outlines the various areas of protection:

School District Protection

School District Insurance Protection is available for students and parents to cover iPad replacement in the event of theft, loss, or accidental damage. Charging bricks and lightning cables are covered if damaged. Lost and stolen cords or bricks will need to be replaced by purchasing a new one from the technology office. The protection cost is \$40.00 (non-refundable) annually for each iPad with a maximum cost of \$120.00 annually per family. This plan will include one replacement. An additional \$40 insurance protection plan may be purchased prior to receiving the first replacement iPad. If no insurance is purchased additional replacements of the iPad may be up to, but not to exceed \$400 should the iPad and case be stolen, lost or damaged in any way. Parents will need to purchase this insurance through the Virginia Public School office by the first Friday of the school year.

Personal Home or Homeowners coverage

Students or parents may wish to carry their own personal insurance to protect the iPad in cases of theft, loss, or accidental damage. Please consult with your insurance agent for details about your personal coverage of the iPad computer. You will need to show proof of insurance to the School before your student(s) are allowed to check out an iPad. An iPad purchased to replace a lost, stolen or damaged Virginia Public School's iPad becomes the property of Virginia Public School.

No Insurance

You agree to pay for the replacement of the iPad at a cost not to exceed \$400 should the iPad and case be stolen, lost or damaged in any way.
